

Get Telegram™, ditch WhatsApp®

Why is Telegram better?

- No video & image compression when sending
- Fun bots & stickers
- Stronger encryption (SHA-512 AES, 2048-bit RSA)
- iPad and Android Tablet app
- Text from multiple locations at once
- Text from a PC while your phone is turned off/without an internet connection
- Infinite users in a group chat
- Free forever (no \$1.28 per year)
- No file size limit when sending (WhatsApp cap 64MB)
- Send files of any type
- No user datamining by Facebook
- & many more!
